No certificate is required for students who take courses in English, provided they have the required language proficiency. For courses conducted in French, a minimum CEFR B1 or TOEFL 500 or IELTS 6.0 is recommended. No certificate is required for students who study in English. 

**Special Requirements:**
- **Insurance:** Each student must purchase health insurance before coming to ESCE or ensure that their existing health insurance is valid in France. The insurance must cover medical expenses in France.
- **Legal Formalities:** All students are required to complete the necessary legal formalities before coming to France. This includes obtaining a visa or residence permit if required. ESCE will provide guidance on this process.

ESCE recommends that non-native English speakers or students not taking their home university degree in English provide a TOEFL certificate and trust our partners to ensure that students have the relevant language level.
