

UNIMORE
UNIVERSITÀ DEGLI STUDI DI
MODENA E REGGIO EMILIA

THE RECTOR

HAVING REGARD TO the Regulations for Master's Programmes and Advanced Training Courses;
HAVING REGARD TO the resolutions adopted on 19 February 2026 and 24 February 2026 by the Academic Senate and the Board of Directors, respectively, approving the renewal of the Second-Level Master's Programme in "Development, Manufacturing and Authorization of Biopharmaceuticals" for the Academic Year 2026/2027;
HAVING CONSIDERED the request submitted by Professor Maria Paola Costi, Director of the Master's Programme within the Department of Life Sciences, to reopen the admission period for the Programme;
HAVING CONSIDERED that places are still available, as the maximum number of enrolments has not yet been reached;
HAVING CONSIDERED the Department's interest in the above-mentioned educational initiative;
TAKING INTO ACCOUNT that the Master's Programme represents a training pathway aimed at enhancing and broadening the educational offer of the University of Modena and Reggio Emilia;
HAVING DEEMED it NECESSARY AND APPROPRIATE to ensure that the activation of the above-mentioned educational initiative is not compromised;

HEREBY DECREES

the reopening of the admission period to the Second-Level Master's Programme in "Development, Manufacturing and Authorization of Biopharmaceuticals", Academic Year 2026/2027.
Applications for admission may therefore be submitted **until 2 October 2026, by 1:00 p.m.**

Modena,

THE RECTOR
Prof.ssa Rita Cucchiara
*Digitally signed in accordance with Italian
Legislative Decree No. 82/2005.*
